

AFP LEX 2692

Based on the searches conducted, the line areas have obtained a date of enquiry from an AFP member into their own personal superannuation circumstances. It is noted that it is unable to be confirmed if this is the enquiry and therefore the date of enquiry referred to at paragraph 11 of the document titled, 'Calculation of Superannuation Contributions on Allowances'.

I have decided to release this date of enquiry in full, noting the caveats.

I have identified a date of enquiry as 3 September 2015.
